

Trucks

- Company history – 90 years Tekno
- Scratch built – Volvo FB89 «ASG»
- Mercedes-Benz Actros 2.5 from NZG
- New Saurer and Henschel from GMTS
- Freight hauler portrait – Setz AG part II

Construction

- 6** Caterpillar 323 / 320 / 320GC from DM **16**
- 12** Kobelco SK500LC-10 from Conrad **20**
- 24** Bauer GB50 from Bymo **22**
- 26** Cat 922B and 776 RD160 from CCM **28**
- 34** Mecalac 15MC and 6MDX from Conrad **32**
- Bomag BW 200 in 1:24 scale from Kaster **39**
- Model history – Cat D6 9U from Ertl **42**

DM introduced the first excavators of the Next Generation in 1:50. René Tanner takes us on a trip with the Volvo FB89 'ASG', to the wide and open spaces of Sweden. CCM is releasing some historical Cat models and for those whose taste is more modern; the new SK500LC-10 from Conrad will fit the bill.

Markus Lindner
