Trucks & Construction
 Models of trucks, construction equipment
 Context included
 TMC 1:50 Hitachi ZX 690LCH & ZW 180
 Scratch built 1:50 Volvo F725
 WSI 1:50 Volvo R100E
 Collector's portrait: Marcel Erb's Volvo F725
 Diorama Masters 1:50 Cat D7 Evolution Set

That even a 'smaller brother' can be an interesting project is proven by René Tanner with his model of the Volvo F725 seen here on the road in Sweden. The models in Marcel Erb's glass display cases shine especially colorful and the Volvo R100E and the Cat D7C are currently the new models.

Markus Lindner
